

## Working Hunter and Schooling Hunter Combined Divisions

### How to Report to the VHSA

Per a conversation Gegi Winslett had with Clyde Poarch he said that when reporting your show results to the VHSA for the Working Hunter and Schooling Hunter combined divisions you must:

- 1) List all results on the VHSA Working Hunter result form and **do not** indicate who was competing in the Working Hunter division and who was competing in the Schooling Hunter division. Just list all the horses and riders as they were pinned in each class as well as Champion and Reserve Champion.
- 2) All the horses will have jumped the correct minimum height (2'6") required for VHSA per their Rules for VHSA Working Hunter.
- 3) The name of the combined division for the VHSA is Working Hunter division.
- 4) Do not report any ponies that competed in any Pony Hunter or Green Pony Hunter divisions as well as in the BHS Schooling Hunter Division at the same show. By VHSA Rules, they are not eligible. If any such pony places, you will need to move the placings behind them up to fill those placings, (i.e., if such a pony was 3<sup>rd</sup>, the 4<sup>th</sup> place horse moves up to 3<sup>rd</sup>, the 5<sup>th</sup> place horse moves up to 4<sup>th</sup>, the 6<sup>th</sup> place horse moves up to 5<sup>th</sup> and the reserve call horse moves up to 6<sup>th</sup>.)

### How to Report to the BHS

When reporting your show results to the BHS for the Working Hunter and Schooling Hunter combined divisions:

- 1) Submit those same results but **you must** indicate besides each which horses are Working Hunters and which are Schooling Hunters.
- 2) Because the BHS has separate award categories with Schooling Hunters jumping a minimum of 2'6" and Working Hunters jumping a minimum of 2'9" this indication of where the points go must be done.
- 3) You can submit a copy of the completed VHSA result form with the notations of Schooling Hunter or Working Hunter beside them instead of having to rewrite the results on a BHS form.
- 4) If you had any ponies which competed in the Pony Hunter or Green Pony Hunter divisions in your Schooling Hunter results –You should report them as the BHS will accept them. In this case, you will have to re-do the results on the BHS Result form.
